

Summer PEAK Registration

PEAK staff are excited about returning for another Summer PEAK camp this year. We have planned a summer of fun, enriching activities and trips for the children in the program. Enroll now to hold your spot.

Summer PEAK will be open June 27th-August 24th (With the exception of the 4th of July week)

Dates may change depending on school district snow dates.

Camp will be held at Little Harbour School.

Summer PEAK closed on July 4th- July 8th

Summer Camp Registrations

- Current Families can enroll now! We are accepting registrations from currently enrolled families at this time. March 7th, registration is still open for current families but will also be open to all families on our waitlist and in the general community on a first come first served basis.
- We require registration to be for a minimum of 2 weeks.
- Please note that currently enrolled **children are not automatically registered** for Summer PEAK Camp. Registration is required if you want to attend. **Summer enrollment spots are limited.**
- Please note that we are unable to accept your enrollment if you have an outstanding balance with the agency and have not spoken with our business office to bring your account up to date or to discuss payment plan options.

Summer Camp Locations and Field Trips

- Summer PEAK will be located at the Little Harbour School - 50 Clough Dr. The program will run daily from **7:30am-5pm**
- In addition to our scheduled on-site activities, we will be offering many fun field trips in the Seacoast Area and beyond, including regular trips to the Pierce Island Pool and the Public Library. We will be posting permission slips for each of the offsite trips throughout the summer weeks.

- Please note that on field trips all of the PEAK teachers attend to ensure the best ratios, and therefore all campers must attend. No alternate supervision/care will be provided separate from the trips, including any all-day outings.

Summer Camp Meals and Snacks

The program will provide an early breakfast and a snack during the day. **All children must bring their own non-perishable, non-microwaveable lunch every day.** This is very important as the program does not have the ability to make arrangements to provide lunch for your child.

Summer Camp Deposits and Payment Responsibility

- **Weekly Rate:** \$258
- A **non-refundable one week deposit** and \$80 Enrollment Fee (for children not currently enrolled) is required to reserve your space. Summer Enrollments will not be processed without deposits! Final balance owed by April 1st for full summer enrollment.
- Deposits for families qualifying for assistance will be arranged individually. Contact Corrine Morse cmorse@seacoastcommunityschools.org
- Withdrawals and/or reduction of weeks is not permitted after March 31st you will be held financially responsible for the remainder of your contracted weeks/days regardless of whether your child attends. As stated above, tuition deposits will be forfeited even if a withdrawal is by March 31st. Requests to withdraw and/or reduction of weeks need to be made by contacting Jamie Winn, our Admissions Coordinator at jwinn@seacoastcommunityschool.org or 603-422-8223 ext. 120.
*Requests may not be communicated via Brightwheel!

We look forward to seeing everyone this summer and as always, feel free to contact us at 603-422-8223 ext. 113 with any questions you have.

Sincerely,

Jessica DuBois
School Age Program Director
